How to Eat a Cupcake: A Novel Meg Donohue

"A sparkling, witty story about an unlikely, yet redemptive, friendship....Grab one of these for your best friend and read it together--preferably with a plate of Meyer Lemon cupcakes nearby."

--Katie Crouch, bestselling author of Girls in Trucks and Men and Dogs

"Beautifully written and quietly wise, Meg Donohue's How to Eat a Cupcake is an achingly honest portrayal of the many layers of friendship--a story so vividly told, you can (almost) taste the buttercream." (Sarah Jio, bestselling author of The Violets of March and The Bungalow)

Author Meg Donohue has cooked up an absolutely scrumptious debut novel, How to Eat a Cupcake, that explores what happens when two childhood friends, Annie and Julia, reconnect as adults and decide to open a cupcakery. But success in their new baking business venture will depend upon their overcoming old betrayals, first loves, and an unexpected and quite dangerous threat. Donohue's How to Eat a Cupcake is contemporary women's fiction at its smartest, sweetest, and most satisfying, joining the ranks of The Recipe Club, The School for Essential Ingredients, and Joanne Harris's classic Chocolat by proving once again that fiction and food make an unbeatable combination.
