Learning in the Field: An Introduction to Qualitative Research Gretchen B. Rossman, Sharon F. Rallis

"What sets this book apart is its skillful integration of both the scientific and artistic dimensions of qualitative research."

--From the foreword by Michael Quinn Patton, *author of Qualitative Research and Evaluation Methods, Third Edition*

The popular text that helped readers better understand and practice qualitative research has been completely updated and revised while retaining the features that made the *First Edition* so useful.

New to this edition:

- Chapter 3 on the ethics and politics of qualitative research
- Chapter 4 on choosing the locus of interest among the major qualitative research approaches
- Chapter 10 expanded to provide detailed instructions for organizing, coding, interpreting, and analyzing data
- Chapters 8 and 11 present examples of the three student characters' data and analysis
- Concept boxes highlight major themes and issues and summarize important principles
- End-of-chapter study questions and activities
