Presented herein are 20 compositions or 'little pieces' on five notes. Another excellent program for the slightly more advanced student of the keyboard (2nd-3rd year).

Includes complete printed music score with both primo and secondo piano parts, and a compact disc featuring the duets in two formats: split-channel stereo with secondo part on the left channel, primo on the right, so you can play either part; and then again with just the secondo part in stereo so you can perform the primo part alongside.
