Everyone loves a good list, and Star Wars fans are no different. In fact, there aren't many other groups of fans who are more prone to analyzing, debating, and comparing various aspects of a storyline universe than Star Wars fans. In that spirit, the Star Wars Book Of Lists approaches Star Wars from a slightly different angle and presents everything in countdown list form.

Who are the strongest Force users in the galaxy? What were the most irritating "improvements" George Lucas made in the Special Editions of the original trilogy? What were the biggest mistakes that led to the Fall of the Jedi? Who were the Empire's most inept members? The Star Wars Book Of Lists answers those questions and more, and also includes the special bonus feature Jedi vs Sith: Which Is Really Better?
