## **Babysitter Taboo**

Babysitting the Trevor twins is the best thing to happen to Alice in a long time. The twins are great kids and it's been a joy to take care of them. Liam Trevor, the father, is a bit of a distraction because he is the most luscious thing she's ever laid eyes on. The authority he commands both in the courtroom and his own household intimidates her as much as it tantalizes her. Liam's particular brand of intimacy involves her complete subjugation - and the punishment for her curiosity is capitally wicked.
