Clockwork Chronicles: Vampire Extraordinaire Quinn Langston

A Clockwork Army

Colonel Julian Hawthorne has set in motion a maniacal plan to rule the world with a clockwork army of human automatons. And as a vampire, he has the wealth and all the time in the world to achieve his mad goal.

Lord Sebastian Hawthorne is equally determined to stop his brother in his tracks. Sebastian has never forgiven Julian for making him a vampire. But unlike Julian, Sebastian sees humans as more than cattle to be dominated...and bled dry. With the help of Theodosia Ambrose, clockwork expert, he vows to thwart his brother's plans at any cost. Even his own immortal life.

A Clockwork Victim

In 1850s London, most mortals are not aware that vampires walk amongst them. Lord Sebastian Hawthorne, himself a vampire, intends to keep it that way. Unfortunately, when someone begins killing off well-known citizens—in gruesome ways—all signs point to a newborn vampire unable to control the bloodlust.

Marcus Dwyer, a fellow vampire, admits to turning a woman for companionship, and now she's out of control. Together, Marcus, Sebastian and Theo, Sebastian's human friend, set out to catch the rogue killer before she exposes their secret.
