The Making of a Marshal. Sixteen-year-old Joshua Block endures the day that will change his life forever. First is the ugly head of slavery. Second is the ugly head of murder as Josh witnesses the brutal murder of his parents. Catching the killers in a gambling hall, his lack of skill gets him shot to pieces. Three strangers come together to save Josh. When he will not give up the idea of revenge, they decide to equip him for his quest; one teaches him the way of the gun, one the way of the fist, and the last the way of the heart. They leave him this one thought as he begins his trail of revenge: " First, dig two graves. . ."
