Is it possible to be young and truly live a saved life as a Christian? The answer is yes, and this book will teach you how! This is not another self-help book but a short and precise, true account of my experiences as a young Christian. I will explain how love, trust and faith in God keep me saved. I'm a sinner but I choose to live holy and ask for God's forgiveness daily, in which has kept me from drowning in sin. My love for God and His people have inspired me to write this book in order to encourage you to get saved and/or stay saved!

In addition, please be on the lookout for my next non-fictional writing, "'Made' in China: A Spiritual Journey Into Knowing Who I Am", coming to bookshelves near you this summer.
