Medea (Gods and Heroes of the Ancient World)

Emma Griffiths

Medea (Gods and Heroes of the Ancient World) Emma Griffiths

Giving access to the latest critical thinking on the subject, *Medea* is a comprehensive guide to sources that paints a vivid portrait of the Greek sorceress Medea, famed in myth for the murder of her children after she is banished from her own home and replaced by a new wife. Emma Griffiths brings into focus previously unexplored themes of the Medea myth, and provides an incisive introduction to the story and its history.

Studying Medea's 'everywoman' status – one that has caused many intricacies of her tale to be overlooked – Griffiths places the story in ancient and modern context and reveals fascinating insights into ancient Greece and its ideology, the importance of life, the role of women and the position of the outsider.

In clear, user-friendly terms, the book situates the myth within analytical frameworks such as psychoanalysis, and Griffiths highlights Medea's position in current classical study as well as her lasting appeal.
