"All it takes to start a raging inferno is a spark and only a step to start a life changing journey. This book tells the story of a girl with the will of a titan as she journeys through abuse and transforms into a powerhouse of a young woman. It's a personal account of her journey that is a vehicle of inspiration for others to either relate to or use as a stepping stone to find help. Let this book inspire you to reach out and help those who may be too scared to make the first move. Be the spark, be the shove to get them walking and started on their journey out." -Jordan Shaw
