Song of Napalm Bruce WEIGL

Song of Napalm is more than a collection of beautifully wrought, heartwrenching, and often very funny poems. It's a narrative, the story of an American innocent's descent into hell and his excruciating return to life on the surface. Weigl may have written the best novel so far about the Vietnam War, and along the way a dozen truly memorable poems. This collection is a testament to creativity from ashes. It is a phoenix rising from what happen tos the human heart and mind. It is also a testament that this book happened as so many bury what there is a need for others to know.
