Having found his version of 'true love' with a South Asian woman from a Muslim family, a Caucasian man is forced to come to terms with his own new found feelings of hatred when he discovers that her unexpected death – murdered in cold blood - is rumored to be at the hands of her family as part of an 'honor killing', based on her relationship with him.

Featuring a world of cultural differences, Tripping on Tears explores how intolerance and rigid ideals can bring about the ugliness of this world, as humankind continues to attempt to influence and control that which cannot be controlled – human emotions and love.
