Heat (Military Bad Boy Billionaire Romance) (Soldiers of Fortune Book 1) Aubrey Irons

Five years ago, that cocky, egotistical ahole played me like a fool and broke my heart.**

Hudson Banks; the dominant, tattooed, womanizing, ex-Marine-turned-billionaire who runs God-knows-what at my late father's company.

Oh, and he's sexy as all fk, and he damn well knows it.**

He's like a gasoline fire; a scorchingly hot disaster, and if I'm not careful, I'm going to get burned.

I'm on track to be the youngest New York State Senator ever elected; the bright, gutsy, good-girl media darling. Except my campaign funding just went dry, and it looks like the only solution is coming from the last person on Earth I'd ever want to take anything from. Oh, and it turns out bad-boy, tough-guy Hudson will be shadowing me 24/7 after he makes it clear that he's in charge of "protecting the investment".

Yeah, just perfect; a reckless, irresistible d*ck like Hudson Banks is the last person I need being "in charge" of anything to do with me.

Especially when I still can't forget the taste of his lips or the feeling of that massive hardness I know he's packing between his legs. It's not fair that he's even hotter now than he was back then. It's not fair that those smoldering, arrogant eyes and that cocky, panty-melting grin still make me warm in places they shouldn't. And it's definitely not fair that five years later, I still can't get him out of my head.

So it looks like I've got two races on my hands: the one for election, and the one against the burning heat threatening to tear us both apart. But on the sprint to the finish line, what happens when the man who has everything comes up against the one thing he can't have?

****This is a standalone book with a HEA; NO CLIFFHANGER!****
