Walking away from college, he goes on the road with his brother, Dylan, to support him while he plays guitar for a legendary band. The brothers soon form their own, and fame hits them hard and fast. To complete a personal project, Tory must go on the band's next tour, and Nate believes it is his shot at getting back the love of his life. A brand-new romance blossoms, but guilt hinders it, leaving someone in the group fighting for love yet again. Issues come to a head, and emotions from several in their circle collide. Forgiveness and acceptance amongst the group become the necessary factors for their friendships to deepen and for love to flourish. Can the group find peace in themselves and each other, or will loyalty and guilt divide them? For a mature audience due to harsh language and descriptive sexual scenes.
