*We are Papa's pride and joy.*

*We're always by his side.*

*We're learning all we need to know  
with Papa as our guide.*

The bond between a father and child is special and strong. In her trademark simple style, Kathy Mallat once again speaks directly to toddlers and preschoolers with a catchy, rhyming text about one of the most important figures in their lives—their fathers. Young ones will relate to and adore Kathy's cuddly wolf pups, just as fathers will recognize the papa wolf's pride and love for his children in their own relationships.
