The Calling (Darkness Rising) Kelley Armstrong

A powerful secret. A desperate race for survival.

Maya and her friends are on the run. Having escaped a deliberately set forest fire and a fake rescue team with dark intentions, they were just beginning to feel safe again. Then their helicopter crashes near the Vancouver Island wilderness, and Maya and her friends realize they're about as far from safe as they can get.

But Maya has a secret. She can run faster, climb higher, and see better than nearly anyone else. It's part of who she really is—and it has something to do with her mysterious paw-print birthmark. Yet as Maya and her friends face unforeseen dangers, it becomes clear she's not the only one in their close-knit group who has something to hide. And if they're going to survive, they'll need all their extraordinary abilities to help them get back home.
