The Crossing: by Michael Connelly | A 15-Minute Summary & Analysis

Preview: The Crossing is a book by long-time renowned author, Michael Connelly and is the twenty-second installment in the Hieronymus “Harry” Bosch series. In this novel, Bosch teams up once again, albeit unwillingly, with formidable defense lawyer Mickey Haller to find out the truth about the mystery surrounding the brutal murder of a famous West Hollywood resident. It is a departure from the normal Bosch tales since Harry is now retired from the LAPD and instead of working to put criminals behind bars, he is now actively trying to keep one from conviction.

PLEASE NOTE: This is a Summary and Analysis of the book and NOT the original book.

This companion includes the following: • Book Overview • Main and Secondary Character List • Summary of the Chapters • Discussion Questions for both Readers & Book Clubs • Discussion & Analysis of Themes, Symbols...

This Analysis fills the gap, making you understand more while enhancing your reading experience.
