## ANGELS and DEMONS: Book Two Melody John

Kaylee still hasn't told anyone what happened the night they lost the Book of Bathsheba. The night Christophe betrayed her, forcing her to choose between her father and her friend. How could anyone possibly understand that she can now inexplicably set both demons and angels aflame with a mere touch, that she couldn't be as pure and good as they thought – that she might not even be human?

But while Kaylee struggles with her disturbing new abilities, she must also work to keep them hidden from Jack, Gregory, and Peter, even while engaging in a battle even more dangerous than her last. For neither the demons nor the angels are ignorant of her power, and neither side wants to let her alone.

Kaylee is left trying to make sense of a world that seems filled with treachery and betrayal, alone. And if she can't figure out her role, her place in it all, she could lose much more than the coming battle. She could lose everything she loves.
