Beowulf and Other Old English Poems Constance Heatt

Unique and beautiful, Beowulf brings to life a society of violence and honor, fierce warriors and bloody battles, deadly monsters and famous swords. Written by an unknown poet in about the eighth century, this masterpiece of Anglo-Saxon literature transforms legends, myth, history, and ancient songs into the richly colored tale of the hero Beowulf, the loathsome man-eater Grendel, his vengeful water-hag mother, and a treasure-hoarding dragon. The earliest surviving epic poem in any modern European language. **Beowulf** is a stirring portrait of a heroic world—somber, vast, and magnificent.
