CyberStorm Matthew Mather

Sometimes the worst storms aren't from Mother Nature, and sometimes the worst nightmares aren't the ones in our heads. Mike Mitchell, an average New Yorker already struggling to keep his family together, suddenly finds himself fighting just to keep them alive when an increasingly bizarre string of disasters start appearing on the world's news networks. As the world and cyberworld come crashing down, bending perception and reality, a monster snowstorm cuts New York off from the world, turning it into a wintry tomb where nothing is what it seems...

"**As a member of the Military that does 'cyber' for his job**, it's refreshing to finally see a novel that shows how dangerous our transition to an interconnected infrastructure will become without proper safeguards...I couldn't put down!" - Karic Allegra, Joint Interoperability Command, US NAVY

CyberStorm is the newly released novel from Matthew Mather, author of the best-selling sci-fi series Atopia Chronicles. In his other lives, Mather is a leading member of the world's cybersecurity community, as well as a real-life tech visionary and award-winning videogame designer. CyberStorm is a novel for anyone who enjoys insightful, cutting-edge fiction mixed with action and adventure.
