After healing from a terrible marriage & divorce, overcoming self-doubt, raising her sons as a single parent, and finding her truth along the way, Simone Cameron thought she was ready for what love had to offer. That was until she found love where she least expect it. Charles was all Simone ever wanted, needed, and more than she could ever dream. But is Simone truly ready for love? Is she ready to sacrifice who she has grown into for who she could become? Will Charles be willing to wait for her to completely love him or will Simone's layers of distrust and pain resurface to keep her from the love she thought she was ready for? "Till We Meet Again", will keep you on the edge of your seat with life lessons, twists, turns, and the desire to love past your limits. Journey with Simone, and see if she is able to truly let love in or if she built her wall of protection so solid that no one, not even the love of Charles, can tear it down.
