## **Working It: A Love by Design Novel** Kendall Ryan

A story of heart-stopping, toe-curling passion by the beloved bestselling author of *Hard to Love*, *Resisting Her*, and *The Impact of You*.

Straight-laced and well-mannered southerner Emmy Clarke is out of her depth in New York City's fashion world, but when she lands a job as an assistant at a modeling agency it seems like the perfect mix of business and pleasure. Working under the tyrannical Fiona Stone is a nightmare, but there's one distinct perk: ogling the ridiculously hot male models who parade through the office--particularly rising star Ben Shaw.

Ben is everything Emmy's not: exquisitely gorgeous, highly paid, and well-traveled. He's also got more issues than *Vogue*. Emmy looks after Ben on photo shoots, but she refuses to become another one of his lusting groupies. Ben finds Emmy's refreshingly real attitude to be surprisingly attractive.

Against a backdrop of the most fashionable cities in the world, casual flirting turns into an illicit affair, but when Ben's twisted past is revealed, and the bitter Fiona catches wind of their relationship, their careers and hearts are threatened.
