What's Your Story?

Do you have a story trapped inside you, waiting to be free? How do you start writing it? What should you include and what should you leave out? And how do you make it feel like a “real” story with drama and lasting impact?

It sure would be nice to have a recipe to follow that tells you how to proceed at every stage. It wouldn't hurt to have an up-close and personal look at some familiar stories, so you could see what makes them tick. And what about all the resources you needed in one spot, along with a little voice whispering helpful tips and encouragement in your ear?

Here's the Help You Need!

This interactive book provides step-by-step instructions for writing your true life story. You'll be supported at every stage of the writing process, from planning to polishing. Foolproof instructions, activities to prime your creativity, and in-depth examples make this the ultimate guide to capturing your significant life event.

You'll get a behind-the-scenes look at how stories are made, complete with in-depth examples and explanations. But this book is not for tourists! The detailed planning activities and freewriting prompts will give you the push you need to start writing your story, and they'll tell you exactly what to do at each step. Once you have your first draft, revising and editing checklists make sure you finish with style and panache! There's even a troubleshooting guide to address those little niggling problems that have a way of cropping up during writing.

Your finished story will knock people's socks off with its amazing message! And best of all, you will have captured your story for your own memory in exactly the way you want to remember it!
