The Shadow of the Moon

Immortals of London Book 4

My name is Marney and I am immortal.

I walk the night, hunting rogue vampires and keeping humanity safe. Once, I worked alone, cold-hearted, distant.

But Ciaran Connor changed all that.

A vampire, a sworn enemy of immortals, I should have hated him.

But I didn't. Far from it.

With his help I foiled an attempt to destroy London. An attempt to enslave humanity. An attempt to give vampires dominance over the other races.

After that life should be easy, right? Yeah, who am I kidding?

Because one thing I've learned is that the past has a nasty habit of catching up with you. So when Ciaran's past comes knocking, and dark secrets are revealed, my world is thrown into chaos.

Again.
