DRESSED TO KILL: James Bond - The Suited Hero Jay McInerney, Nick Foulkes, Nick Sullivan
Bond. James Bond. The mere name evokes an exciting world of high living, exotic locations, sex, and adventure. Once upon a time, heroes wore armour and chain mail, but now automobiles have superseded stallions, and the modern hero requires something a little more individual in which to perform his daring deeds of selfless courage. Enter the suited hero. From *The Thin Man* to the men from U.N.C.L.E., James Bond has remained the epitome of the well-dressed gentleman spy. He is the quintessence of a certain British style, knowing what to wear, what to drink - shaken, but not stirred - what to say, and when to break the rules. Bond fans, movie buffs and fashion aficionados will all find new and illuminating material in this volume, which brings together a broad range of previously unpublished documents including filmstills, advertising, and candid images of the Cold War ambience of which Bond was a product. Although many books have explored the fascinating history of the 007 films, this is the first to demonstrate what made the Bond character a modern myth, and the world's most famous secret agent.
