#### **David Perrin:**

As a student exactly feel bored to help reading. If their teacher requested them to go to the library as well as to make summary for some book, they are complained. Just very little students that has reading's heart or real their passion. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Hyperthermia In Cancer Treatment: A Primer (Medical Intelligence Unit) can make you feel more interested to read.

#### **Bethany Zuniga:**
