**John** Cynthia Lennon

## **The Extraordinary Story of a Man, a Legend and a Marriage**

When she was eighteen years old, a girl named Cynthia Powell met a boy named John Lennon and they fell in love. Their ten-year relationship coincided with the start of the Beatles phenomenon—from Liverpool's dockside clubs to the dizzying worldwide fame that followed. And Cynthia Lennon, John's first wife, was an integral part of the swirl of events that are now an indelible part of the history of rock and roll.

In *John*, Cynthia recalls those times with the loving honesty of an insider, offering new and fascinating insights into the life of John Lennon and the early days of the Beatles. And with the perspective only years can provide she also tells the compelling story of her marriage to a man who was to become a music legend, a cultural hero and a defining figure of the twentieth century.

Cynthia has seldom talked in any detail about her marriage and the painful events that followed John's tragic assassination in 1980. Now she candidly reveals the good and the bad, the loving and the cruel sides of John. She tells of the breakdown of their marriage and the beginning of his relationship with Yoko Ono in more detail than has ever been disclosed before and documents the difficulties estrangement from John—and his subsequent death—brought for herself and their son, Julian.

In *John*, Cynthia Lennon has created a vivid portrait of the 1960s, the Beatles and the man she never stopped loving.

*The time has come* when I feel ready to tell the truth about John and me, our years together and the years since his death. There is so much that I have never said, so many incidents I have never spoken of and so many feelings I have never expressed: great love on one hand; pain, torment and humiliation on the other. Only I know what really happened between us, why we stayed together, why we parted and the price I have paid for being John's wife.

I want to tell the real story of the real John—the infuriating, lovable, sometimes cruel, funny, talented and needy man who made such an impact on the world. —**From the Introduction**

Right now, choose your personal ways to get more information about your publication. It is most important to arrange you to ultimately make your knowledge are still change. Let's try to choose suitable ways for you.

#### **Robert Jackson:**

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library in order to make summary for some publication, they are complained. Just minor students that has reading's heart or real their passion. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this John can make you feel more interested to read.
