First created by Planned Parenthood/Mar Monte in the late 1980's, this well loved, updated guide insures that children will be given accurate, age-appropriate information about sex. This read-together book helps to begin an open dialogue in the family.

Parents and educators will find discussions of feelings, respecting oneself and others, what's normal, making sense of love and sex, and helpful advice. The book is filled with sound information, illustrations and diagrams, appropriate body terminology, information on STDs and more. Here, the changes all preteens go through are explained in a simple, straight-forward manner.

In the Parent's Guide (in the back of the book) is the information on how approach the BIG TALK in a way that is comfortable and positive.
