MTV Ruled the World: The Early Years of Music Video Greg Prato

There have been few times in modern music history that an instant shift in how we listen to — and view — music has occurred. However, the launch of MTV on August 1, 1981, was certainly one such occurrence. Instantly, music fans were now “listening with their eyes” rather than relying solely on their ears. 'MTV Ruled the World: The Early Years of Music Video' is the first book to focus solely on the channel's important building-block years, specifically from the channel's launch to when MTV's original group of VJs left the channel. Comprised of over 70 all-new interviews ("Weird Al" Yankovic, Daryl Hall, John Oates, Joe Elliott, Phil Collen, Rob Halford, Stewart Copeland, Rick Springfield, Jerry Casale, Geddy Lee, Ann Wilson, Chuck D, Alan Hunter, Nina Blackwood, etc.), the book is not only an eye-opening account of the early years of MTV, but also of the music industry, important music developments/events, and the “Big ‘80s” in general.

Richard Eby:

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some publication, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this MTV Ruled the World: The Early Years of Music Video can make you experience more interested to read.
