Seeking Sara Summers - A Coming Out Later in Life Lesbian Novel Susan Gabriel

Was her life ever really fun? Was there ever any passion? Will she find the courage to change? A story of courage and transformation from Amazon #1 bestselling author Susan Gabriel.

Sara Summers Stanton has raised three children and works as a high school teacher at the same school she attended growing up. Her 25 year marriage is showing cracks in the façade and now she's dealing with breast cancer.

In a rare moment of taking care of herself instead of everyone else, Sara takes a sabbatical and goes on the trip to Italy she has always dreamed of taking. This search for a more authentic life leads to Julia, a friend she hasn't seen since they were inseparable as girls, nearly 30 years earlier. They reunite in Florence and their friendship continues where they left off, resulting in an unexpected attraction to one another that threatens to turn Sara's already shaky world upside down.

Sara's inner conflict and subsequent choices reveal an unpredictable yet dynamic future for all the characters. *Seeking Sara Summers* is an emotional and lyrical novel, a timeless story about love, commitment and transformation.
