That Mitchell and Webb Sound: Series 1 David Mitchell, Robert Webb

More sketches from the inside-out world of David Mitchell and Robert Webb, including what James Bond is really like as a party guest, and the rather too exciting world of Rabbit Newsnight. Their distinctive and lopsided view of the world includes the worst possible name for a dry cleaning shop; the brave and dangerous work of Hairdressers Sans Frontiers; and the tragic consequences when a stray piece of ham goes unchecked. Mitchell and Webb's gallery of peculiar characters is populated by misfits, eccentrics, the occasional talking animal, and a few stray Radio 4 arts programme presenters. Starring David Mitchell and Robert Webb, with Olivia Colman and James Bachman.
