The Master Key System Charles F Haanel

The Master Key System, along with *The Science of Getting Rich*, is the source of Rhonda Byrne's inspiration for the book and film *The Secret*.

Originally published in 1912 as a correspondence course, it teaches that everything around us was first developed as a thought. That means that thought is the powerful catalyst for turning any idea into a reality.

Using thought as the manifestation of creative energy, *The Master Key System* will show you how to use the power of these thoughts to realize your dreams.
