**The Real You Is Immortal:: Whether You Like It or Not!** William F. Pillow Jr.

*The Real You Is Immortal* explores the experiential, scientific, medical, and psychological evidence of imperceptible kinds of consciousness, in particular, the immortal soul.

In this comprehensive examination of the spiritual dimensions of human beings, author William Pillow begins with an eye-opening look at the development of religion before delving into the subject of the other reality—the spiritual realm.

Drawing from a wide-ranging body of literature, which you are encouraged to review for yourself, Pillow goes on to provide in-depth discussions and fascinating examples about the afterlife, reincarnation, karma, and immortality. Those interested in psychic, near-death, or out-of-body experiences; prenatal memories; hypnotic regression or soul messages will find a treasure trove of information validating these unexplained phenomena.

A one-time skeptic of the paranormal and metaphysical, Pillow is now devoted to helping you fathom what his mind-blowing, life-altering discoveries might mean for you, your loved ones, and humankind.
