### **Why You Should Buy This Book Before You Sign Up For a Class**

You can waste money on a bad class, but that can be replaced. *But...* if you pull your gun when you shouldn't, you'll be in deep trouble and your whole life could change. You can prevent it with good education. This book tells some of what you need to know and how to handle some situations, but a real class—a *good class*—will teach much more.

Not only is basic handgun info included, but things you need to know about self-defense, legalities you should be aware of, and what the police might ask you if you ever point or fire your gun at another individual, whether you hit or miss! For example, what is the first thing you must do if you ever show your gun to ward off an attacker? Not doing it can land you in jail quick!

Not choosing the right gun class can cost you dearly! Click the "buy" button now to grab your copy today. (Also available as a Kindle ebook!)
