**A practical, hands-on guide to building your mastery of candlestick charting and analysis**

Candlestick charting has become one of today's most popular technical analysis tools for both individual and professional investors. And it's much easier than you probably think. In fact, creating a candlestick chart demands no more information than traditional charting requires. With candle pattern analysis, the payoff is a deeper look into the minds of investors and a clearer view of supply and demand dynamics.

In this companion volume to his bestselling *Candlestick Charting Explained*, Gregory L. Morris delivers hands-on knowledge you need to make candlestick charting and analysis a key element of your portfolio-building strategy. With this book you will be able to:

- Identify candle patterns and quickly see what traders and investors are thinking
- Use reversal patterns to enter or reverse your positions
- Identify continuation patterns to establish additional positions
- Utilize charting software to recognize patterns automatically

Packed with study questions, data tables, diagnostic tools, terminology, sample charts, and market analyses, *Candlestick Charting Explained Workbook* helps you speed up the learning process and ramp up the profits.
