IMG Friendly Internal Medicine Residency Programs List: With Comprehensive Match Selection Criteria and Programs Requirements IMG Guide, Applicant Guide

In Collaboration between the Applicant Guide and the IMG Guide we present to you the most complete and up-to-date IMG friendly internal medicine residency programs list with full match selection criteria and requirements for these programs. This book is essentially written for international medical graduates seeking residency in the US. The idea of writing this book came from our insight that many IMGs every year don't match because they don't know where to apply. Most of the time, they end applying to programs that don't have IMGs or those that don't match their criteria hence they end losing money with no interviews earned. The information was gathered from program directors, coordinators, chiefs, faculty and residents. It includes Programs names, Programs codes, States, Addresses, Phones, Faxes, Percentage of IMGs in the programs, Minimum USMLE Step 1 and Step 2 Score Requirements, Attempts on any step, CS requirement at time of application, USCE Requirements, Cut-Off time since graduation, Programs offering couple match and Visas Sponsored or accepted.
