Amanda overhears grunting from Noah's room, and flings open the door to find out what's going on. The sight of her forbidden younger man and his best friend Clark in the middle of a double tug makes her eyes pop open wide, and a chill run down her spine and further.

"Why'd you guys stop?" she asks, unable to turn away. The conversation starts off with the two of them justifying themselves, faces red with embarrassment. Amanda has her own plans to make the young men blush, and so she leverages the situation in her favor. Tensions are high, blood flow is errant, and there is plenty of what Amanda craves to go around. All she has to do is get them to settle down and realize how much more fun they can have with her in the game as well.

Come along to find out where Amanda can lead her good fortune. No shame or regrets in this story where an older woman leads two younger men on a journey of exploration and sweaty passion.
