The Sociology of Law and Criminology: Inst Of Private Law IIs 208 (International Library of Sociology) Karl Renner, Otto Kahn-Freund, A. Schwarzschild

As relevant to today's debates about law and order and punishment as when they were published, titles in this set put forward the central principle that it is impossible to think about contemporary problems without thinking about society. Covering topics such as youth crime, legal aid, youth detention and the causes of criminal behaviour, titles in this set are still key to any study of law and criminology.
