Absolute Hospital Medicine Review: An Intensive Question & Answer Guide

Hospital medicine has expanded beyond the practice of internal medicine to co-manage patients in the fields of orthopedics, neurosurgery and general surgery. This concise guide covers the evolution and expanding scope of hospital medicine and the variety of clinical, ethical and administrative situations a Hospitalist encounters. 500 questions on inpatient care, co-management of patients and hospital system management are provided with the goal of assessing clinical and academic competency. Questions feature actual cases with evidence-based solutions. Useful to physicians, house staff and advanced nurse practitioners, this up-to-date referenced learning text encompasses all aspects of hospital care.
