*My name is Jennifer Langham. On my forty-seventh birthday my husband gave me a surprise gift; the only one he ever had.*

Will and Jennifer Langham are the Perfect Couple. They share a home overlooking the ocean with two badly behaved dogs and two well behaved children. They have confirmed seats at every 'B' List function in town and standby ones for every 'A.' She wears a circle of diamonds, while witches, parading as friends, circle her world. He wears an Armani suit and a Wall Street cleavage. She knows all is not right in The House of Langham. He knows all is about to be revealed.

They both know the plane carrying their marriage is in dive.

Mayday- Mayday- Mayday!
