If you're like most girls, you probably been unclear about how to have that great guy you've been wishing to love you. You hope for a guide map to make yourself irresistible to that guy. This book is designed to show you how to improve your quality as a girl and has a lot of practical information that you need to know as a girl.

Some valuable lessons you will learn are:

- how to have a positive self-esteem
- why a girl with confident matters (and shy or reticent makes you forgettable)
- how to optimizing your appearance to show your best version of yourself
- how to start a small talk (where it all begins) and understanding his body language
- learn make great impression through your listening skills
- how to flirt with a guy without looking desperate
- why you should hold off the physical intimacy
- know the do's and don'ts of first date
- and the last is probably the most important that girls should know is to avoid sending "I'm an easy girl" signals to a guy.

We hope that this book can completely changed the way you look at men and dating.
