The best gardening box set on the market now! Three best sellers in one.

Container gardening is a great way to garden in a small space, and there are so many options with container gardening! If versatility is something you desire then container gardening just might be for you. You can grow plants in about any container at all, so cost is completely up to on you. My mother has been known to plant flowers in old teapots and soda bottles alike.

Gardening can fall flat for someone with a busy life, though. There is nothing worse than coming home after traveling to find all your plants have been destroyed by pests or withered away from a lack of watering. If you are gone more often than you are home, self-watering containers or some sort of drip irrigation system may be the difference between life and death for your plants. We will also cover some techniques to help protect plants naturally from pests.

Check out what you will learn after listening to this book:

- Growing fruit
- Growing indoors
- Growing in containers
- Becoming a master at container gardening
- Becoming a master farmer
