The world is run by teen girls: parents of teen girls, teachers of teen girls, boys trying to date teen girls, feminists who want to empower teen girls, companies trying to sell things to teen girls, and people who have had it “up to here” with teen girls. Chances are if you’re reading this, there is a young woman in your life for whom you desire the very best, and *10 Things for Teen Girls* can help with that.

Based on student minister Kate Conner’s runaway blog post, this book answers a lot of important questions: Why should I follow my heart? Should I care what other people think of me? Why are boys only interested in my body? How do I handle my emotions? Am I beautiful? Am I enough?

Teen girls have already heard the typical shtick about how they need to dress modestly, or how they shouldn’t care what others think of them, but it doesn’t suffice. Rooted in biblical wisdom and interspersed with candid stories of the modern teenage experience, Conner’s imparts common (and all too uncommon) sense.
