Funny Cide Sally Jenkins, LLC Funny Cide Ventures

In 2003, he became "the people's horse," the unheralded New York-bred gelding who-in a time of war and economic jitters-inspired a nation by knocking off the champions and their multimillionaire owners and sweeping to the brink of the Triple Crown. Trained by a journeyman who had been knocking around racing for more than thirty years, ridden by a hard-luck jockey, and owned by a tiny stable founded by a band of high school buddies from Sackets Harbor, NY (pop: 1,386), who tossed in a few thousand dollars each and decided to follow their dream, Funny Cide became a blue-collar hero with a bit, his story crammed with colorful characters-only one of which happened to be a horse.

Written with Sally Jenkins, coauthor of Lance Armstrong's number-one bestseller *It's Not About the Bike*, *Funny Cide* tells the whole story-the parts we know and the parts we never suspected-as it follows the group's emotional ups and downs against overwhelming odds, illness, and even scandal, to capture the imagination of millions. It is a book for the underdog in all of us-a new American classic.

From reader reviews:

Solomon Pepper:

The book Funny Cide can give more knowledge and information about everything you want. Why then must we leave the good thing like a book Funny Cide? Several of you have a different opinion about publication. But one aim that book can give many information for us. It is absolutely correct. Right now, try to closer together with your book. Knowledge or data that you take for that, it is possible to give for each other; you may share all of these. Book Funny Cide has simple shape however, you know: it has great and massive function for you. You can appear the enormous world by open up and read a reserve. So it is very wonderful.

Samuel Lester:

Here thing why this particular Funny Cide are different and trustworthy to be yours. First of all examining a book is good but it really depends in the content than it which is the content is as yummy as food or not. Funny Cide giving you information deeper and different ways, you can find any e-book out there but there is no book that similar with Funny Cide. It gives you thrill reading through journey, its open up your eyes about the thing that will happened in the world which is might be can be happened around you. It is possible to bring everywhere like in park your car, café, or even in your method home by train. When you are having difficulties in bringing the imprinted book maybe the form of Funny Cide in e-book can be your alternate.

Judith Craig:

Do you among people who can't read pleasurable if the sentence chained inside the straightway, hold on guys that aren't like that. This Funny Cide book is readable simply by you who hate the perfect word style. You will find the info here are arrange for enjoyable examining experience without leaving actually decrease the knowledge that want to supply to you. The writer involving Funny Cide content conveys prospect easily to understand by most people. The printed and e-book are not different in the content material but it just different as it. So , do you nevertheless thinking Funny Cide is not loveable to be your top listing reading book?

Joseph Gabriel:

As a college student exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Funny Cide can make you sense more interested to read.
