King of the Ring: The Harley Race Story Harley Race, Gerry Tritz

A true legend, Harley Race has enjoyed almost unparalleled success in the world of professional wrestling. Having turned pro in 1959 at the age of fifteen, he had a work ethic and innovative style that allowed him to become one of the three biggest names in wrestling during the 1970s and early '80s. He won the National Wrestling Alliance (NWA) championship on eight occasions and was dubbed World Wrestling Entertainment's first "King of the Ring" in 1986. His incredible journey from farm boy to international superstar is captured within the pages of *King of the Ring*. In addition to his legendary ring career, Harley Race also became a successful promoter in the Midwest during the mid '80s with a wrestling organization seen on thirteen television stations covering five states. Although injuries and a car accident in 1995 effectively ended his wrestling career, he decided to give back to the sport he loved. Race opened the World League Wrestling (WLW) organization in 1999, which serves both as a training camp and as a touring organization for young wrestlers. *King of the Ring* explores Race's life and career, both in and out of the ring, detailing everything from the grind of traveling 300 days a year to the glory of being a world champion. From the pitfalls and vices associated with professional wrestling to overcoming career threatening injuries and the death of his first wife, the Harley Race readers will meet in *King of the Ring* is as candid as he is successful.

James Hibner:

As a student exactly feel bored for you to reading. If their teacher asked them to go to the library or even make summary for some guide, they are complained. Just minor students that has reading's heart and soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this King of the Ring: The Harley Race Story can make you really feel more interested to read.

Donald Noble:

Many people said that they feel uninterested when they reading a reserve. They are directly felt that when they get a half areas of the book. You can choose often the book King of the Ring: The Harley Race Story to make your personal reading is interesting. Your own skill of reading ability is developing when you including reading. Try to choose easy book to make you enjoy to see it and mingle the feeling about book and reading especially. It is to be initial opinion for you to like to available a book and go through it. Beside that the reserve King of the Ring: The Harley Race Story can to be your new friend when you're feel alone

and confuse with the information must you're doing of this time.
