London Street Girls - London's Sex For Sale Industry Maria Moretti

Exposed at last, the awful truth about the world's most sinful city, London. American crime reporter Maria Moretti goes out onto the London streets to work alongside four young prostitutes to report and photograph in detail the horrific truth about the capital's strip clubs, massage parlours, street girls and much more. She did this way back in 1985, so this incredible book is a locked in time capsule where we can look back on a world that no longer exists.

Plus, there are over 40 real life photos. Maria, her photographer and bodyguard go out at night onto the streets of Soho and Kings Cross to catch on film and write it down as it happened. They caught the tail end of these outrageous districts, before law and order finally took control. Not for those readers who are of a sensitive nature. You will never see scenes like this again. A chance to see real life sexual London as it was long ago.
