Love Edy (2 Book Series) Shewanda Pugh

From Book 1: When Edy Phelps falls hard for her best friend, she knows nothing can come from it.

Forget actual chemistry, or the fact that she cherishes his mother more than her own; centuries of tradition say that Hassan will grow up, marry the girl his parents pick, and forget his best friend: the dancer with the bursting smile. Except he can't. In a world erupting with possibilities for the boy with a body of steel and dreams of the NFL, everything seems promised while nothing at all is; when he's denied the girl he wants most.

Two hearts. Two families devoted through generations of friendship. Could Edy and Hassan really risk all that? And yet ... how could they not?
