**"Exceptional . . . Clanchy has a wincingly accurate eye for social comedy, a vivid descriptive sense, and profound understanding of her characters. This is a delectable read." --Daily Mail (UK)**

In response to an advertisement, Struan Robertson, orphan, genius, and just seventeen, leaves his dour native town in Scotland, and arrives at a creaky mansion in London in the freakishly hot summer of 1989. His job, he finds, is to care for playwright and one-time literary star Phillip Prys, dumbfounded and paralyzed by a massive stroke, because, though Phillip's two teenage children, two wives, and a literary agent all rattle 'round his large house, they are each too busy with their peculiar obsessions to do it themselves. As the city bakes, Struan finds himself tangled in a midsummer's dream of mistaken identity, giddy property prices, wild swimming, and overwhelming passions. For everyone, it is to be a life-changing summer.

Kate Clanchy's *Meeting the English* is a bright book about dark subjects--a tale about kindness and its limits, told with love. It is a coming of age story for anyone who has ever felt themselves to be an outsider; a love story for the awkward; and a comedy for anyone who has ever lived in a family. Written by an acclaimed writer of poetry, non-fiction, and short stories, this glorious debut novel is spiked with witty dialogue and jostling with gleeful, zesty characters.
