### On the Move Bono

"The one thing, on which we can all agree, is that God is with the vulnerable and poor. God is in the slums and in the cardboard boxes where the poor play house. God is in the debris of wasted opportunity and lives, and God is with us if we are with them. 6,500 Africans are still dying every day of a preventable, treatable disease, for lack of drugs we can buy at any drug store. This is not about charity, this is about Justice and Equality." --Bono

This small book, based upon the speech given by Bono at the 2006 NPB, delivers an inspiring and powerful message. Here, in Bono's own words, is a reflection on his own faith and a challenge to people of all faiths to reach across boundaries and come together on behalf of what the Scriptures call "the least of these."
