It was just another day in the office for lawyer Claire McGee: She'd gotten a new case from her boss, the computers had crashed twice in three hours, and she was the last one to leave for the day (again). It was only as she was walking to her bus stop when her average day turned into a nightmare when a man held a knife to her side and tried to rob her.

Chad Michaels is the rich son of a rich father, and a man who always had everything handed to him all his life. But when he witnesses a man drag away the one woman who ever denied him, he can't help but rush in and save the day. Only, Claire doesn't look too happy to see him again.

As Claire tries to put up with her old college flame, she soon discovers that the mugging that brought them together was no ordinary man simply out to steal her purse.
